A WORD FROM *Pope Francis* ON TODAY'S GOSPEL:

"Jesus with this parable places two paths before us. Experience shows that we are not always willing to say yes in word and deed, because we are sinners. But we can choose whether to be sinners on the way, who listen to the Lord, and when they fall they repent and rise, like the first child; or sitting sinners, ready to always justify themselves and only with words according to what suits them."
