Gospel Thoughts: Christ instructed them on how to go about their mission. Jesus knew the influence of materialism and that any soul taken captive by it will definitely lose focus of His mission. That was why he instructed his disciples against it. So, to succeed in the mission of Christ, we must be careful about materialism, and anything that could distract us from fulfilling God's purpose and will for choosing us. Therefore, abiding by the instructions of Jesus is a sure means of fulfilling God's purpose. Whereas, neglecting them is the easiest way of losing focus and failing. We have become so distracted that we no longer pay attention to the main purpose of our mission and call as Christians. This is the reason we achieve little. So, we must constantly remind ourselves that God chose us for a purpose and, must strive to achieve it. ~ excerpted from *francicenjoku*
