Gospel Thoughts - In the gospel, Christ also demonstrated that he is that promised Davidic king and good shepherd. He will not rest until our souls and our land is completely healed and restored to his Father. This was why he had to terminate his vacation in order to attend to his people. As a compassionate and wise king, Jesus knows our situation. He is doing something about it and, will not rest until we are redeemed and restored to God. He does not keep quiet over our situations.
