SAINT SPOTLIGHT: ISIDORE THE FARMER

The other farmhands thought Isidore was lazy and caused them extra work. Like them, Isidore was a day laborer on a wealthy estate in Madrid, Spain, about a thousand years ago. Because Isidore took time to go to Mass before coming to work, the other farmers thought they were doing some of his share of the work. They didn't like that. Little did they know that Isidore did have some extra help, but it wasn't them!
