This Week, the Second Collection will be taken up for The Catholic Campaign for Human Development which is the national anti-poverty program of the U.S. Catholic Bishops, working to carry out the mission of Jesus Christ "... to bring glad tidings to the poor ... liberty to captives ... sight to the blind, and let the oppressed go free." (Luke 4:18)

The belief that those who are directly affected by unjust systems and structures have the best insight into knowing how to change them is central to CCHD. CCHD works to break the cycle of poverty by helping low-income people participate in decisions that affect their lives, families and communities. CCHD offers a hand up, not a hand out!

Listen to the Catholic Forum radio program/podcast each week. Next Saturday, November 27th, tune-in to learn about St. Norbert and the Norbertine Fathers, when **Fr. James Herring, O.
