Please consider participating in Birthright's annual Bottles for Babies Campaign, which is held in October for Respect Life Month. The empty baby bottles are in the vestibule and will be collected the weekend of November 1st. Since Birthright operates entirely on donations, they rely on Bottles for Babies to provide a large source of their income. Your generous support allows them to assist pregnant women with emotional and practical resources. In doing so, you share in their life-giving work. Thank you.
