The Sanctuary Candle is lit from 12/04 – 12/17 for Lou Meli, Frank Neeff, Harry Moore, Leo McNulty & DC Fire Fighters by Hilary McNulty

The Church Restoration project is at the 80% progress mark. The results in the church and sanctuary are very nice as many of you have noticed and commented. The church looks brighter, cracks are fixed and the ceiling looks new again. Really great results from Ted Hooven and his team. There is still some work to do, but so far so good, on time and on budget with good quality. Thank you so much to all the parishioners who have made contributions to help fund this restoration; we will gratefully accept any other donations now or at any time. We also thank our brothers and sisters in the Korean Catholic Community (KCC) who made a very generous donation to the restoration. 매우 감사합니다 (maeu gamsahabnida - thank you very much!)

We are in need of Altar Servers, Lectors and Cantors – and other parish roles!

We are looking to reinstate altar servers (boys and girls) at our masses. If a family member has had their First Communion, they are eligible to serve Mass at St. Paul's. No experience is necessary, we will train them, either new or refresher. If you child needs service hours for their school, being an altar server is a great way to get hours and assist at Mass. We will also take adult altar servers as well. If you would like to be an altar server, please contact the Parish Office at (302) 834-4321 or via email at: stpaulsdecity@verizon.net.

We also have a need for Lectors and Cantors in our parish. Again, no experience necessary, we will train. Our parish is small and fueled by volunteers. Please consider volunteering today; to serve Mass, to assist as a Lector or Cantor or on a committee. We can always use the help – please contact the Parish Office by phone or email to volunteer or get more information. Thanks very much!

The Fleming Family would like to thank all our parishioners for the outpouring of support and prayers!
