**Waiting to become a Saint - Blessed Pier Giorgio Frassati** was engaged in the life of the Church through regular worship and adoration, service to the poor and marginalized, advocacy for social justice for the disenfranchised and for religious liberty, regular participation in student activities, devotion to his family, and joyful companionship with his friends and fellow Catholics in his community. He saw many parallels between Catholic life and his favorite pastime, mountain-climbing. He would regularly organize trips into the mountains with his close friends with occasions for prayer, liturgies, and conversations about faith on the way up to or down from the summit.

After what would become his final climb he wrote a simple note on a photograph: "**Verso L'Alto**", which means "to the heights." This phrase has since come to encapsulate his philosophy of mountaineering and his Catholic outlook on life and adventure. You can learn more about Blessed Pier Giorgio Frassati at [Frassati USA](http://FrassatiUSA.com).
