Restoration Project continuing during November - St Paul's has contracted with Ted Hooven & Son to perform some much-needed restoration work to the interior of our church. The project will include repairing large cracks, cleaning and protection of the interior wood ceiling and painting. The Parish will pay for this work out of our FY 2023 operating funds and will not need to borrow or use our investments. As a contingency plan, we will make use of the Parish Hall for Mass if necessary. We thank you, the parishioners of St. Paul's, for your generosity and stewardship that has allowed us to undertake these improvements. We are at the 40% completion mark!
