Society of Saint Vincent de Paul – Homeless Project –

The St Paul's conference of the Society of St Vincent de Paul will be collecting donations of water, suntan lotion and rain ponchos in July and August for our homeless project. We distribute small bags of food, water, and personal items directly to the homeless in Delaware. During these summer months, we would like to include small (personal size) bottles of suntan lotion and plastic rain ponchos. Dollar Tree and other dollar stores are a good source for these items and they can also be found at many other stores and online. Please leave any donations under the statues to the side of the altar and we will collect them and hand them out to the homeless.

Thank you & God bless you.

Offertory Envelopes for the year, beginning October 16, 2022 are now available to be picked up in the last pews on both sides of the church. If you wish to receive or discontinue receiving envelopes please contact the office via email STPAULSDECITY@verizon.net or by calling 302-834-4321 during office hours. Thank you.

Share in the Spirit - is an annual collection for tuition assistance to Catholic schools in the Diocese of Wilmington. This special collection is conducted at all Masses in the Diocese. In addition, invitations to participate in this fundraising effort are mailed and offered online. This year, our collection will take place on September 17th & 18th, 2022. The funds raised from this collection are also combined with funds from the diocese's Vision for the Future of Education Trust to assist elementary and secondary school students whose families struggle to afford the total cost of tuition.

Every single family who receives tuition assistance pays for a portion of their child's tuition. Your participation in this campaign helps to support hard-working families to make the dream of a Catholic education a reality. Each year, the applications we receive for tuition assistance far outweigh the level of support we can provide.

For example: Of the nearly 1,000 applications, FACTS, an independent agent that analyzes the financial need of each applicant, determined that more than \$5 million would be required to fulfill the maximum demand of every family qualified. And, every year, this number increases.

Thanks to the generosity of sponsors and donors like you, this campaign continues to grow and impact lives. For this 2022-2023 school year – we have provided \$1,030,500 in scholarships to 529 students; an increase of 165 students will be assisted over last year. However, our resources are limited! The support we provide for the 2022-2023 school year only represents approximately 20% of the calculated need.

Our Catholic schools develop individuals who will emerge as leaders in our communities and world. Catholic schools provide smaller class sizes, taught by passionate and committed teachers. Our students receive an education that challenges the intellectual and nurtures the spiritual, deep-rooted in our faith. An education that emphasizes service to others every day. Catholic schools develop students who emerge as leaders who promote, sustain, and inspire our world into the future.
