Our volunteers help people in need within our parish boundaries such as those with a shutoff notice from Delmarva or families who are facing eviction. We help them to pay a bill and also give them information on how to get government assistance. All that is made possible by the generous donations from this parish - we received over \$ 10,000 last year. Please remember that we stand ready to help those facing hardship – including parishioners – and our client's information is always kept confidential. Just call the parish phone if you or someone you know is in need.

Our conference has also helped hundreds of homeless people by giving them a small bag of food and a few small personal items to help them stay warm and dry and clean. We help homeless people all over the diocese and other parishes donated over \$ 5,500 to support our homeless project.
